

Addis-Abeba, 01 December 2015.

**Deworming against Bilharzias and intestinal parasites.**

Dear parents,

The minister of health has informed us that nurses will come to Lycée on Friday, December 4th to distribute a deworming medication in a tablet form against bilharzias and intestinal parasites for children between 5 and 14 years of age.

That's why we ask you to fill the coupon **to allow** or **not to allow** the treatment for your child and send it back to the primary or secondary secretary. **Only** children who have the permission will receive the medication.

The Head

Jean-Pierre PASQUIOU

✂ -----  
To return **as soon as possible** to the primary or secondary secretary

I, the undersigned.....(name of the mother or the father)

Authorized the medication

Do not allow

my child ..... (First name) ..... (Last name)

Class.....
